#### ● J's Marketplace

## Conditions of sales

- Participation in J's Marketplace
  - Both importers and exporters are required to participate in J's Marketplace trial.
  - Importers are required to order products and transport through J's Marketplace.
- Transport
  - This transport service shall be contracted with Nissin Corporation("Nissin").
  - The cargo must be transported from the brewery to the warehouse in Japan specified by Nissin by the specified date.
  - Each company shall pick up the goods on pallets at each destination side.
  - The schedule is subject to change or to be delayed due to vessel bookings or various circumstances.
- Request for interviews
  - We ask for your cooperation in conducting a questionnaire survey and interviews on points to be improved after use of the service.
- Price details
  - The price offered here is a special price for first trial only.
  - The number of pallets purchased is limited to 3 pallets per order.
  - In addition to ocean freight costs, export customs clearance fees, insurance costs, import customs clearance fees, and local warehouse storage fees are included.
  - The maximum number of cases loaded per pallet may be restricted
    - \*Maximum assumption: approximately 36 cases (720 ml x 12 bottles).
  - Japanese consumption tax will be charged separately for costs in Japan.

## What is J's Marketplace?

Online marketplace platform helping simplify and facilitate your sake trade
